## Summer School Band Program Concluded

Glades summer band school activities come to an end today after four weeks in Belle Glade and six in Pahokee, according to Belle Glade band director John Munroe and Pahokee band director Robert Lampi.

These two summer band programs are representative of similar activities in three other white and three colored schools in Palm Beach County. Sponsored by the State Department of Education and the county school board, the summer sessions give the band leaders opportunities to train new material for their fall bands and to keep band members in training during the out-of-school season.

According to Lampi who has been meeting beginners groups Monday, Wednesdays and Fridays from 10 to 12, there are 75 young people enrolled in the school and of this number the average daily attendance has been high. He has advanced band members and individual instruction on alternate days.

In Belle Glade there are 40 students in the summer program, they are divided into the advanced, intermediate and beginners groups, according to Munroe and have met morning and afternoon sessions following a rigidly conducted training program. Director Munroe, a University of Miami alumnus, where he excelled in brass instruments, illustrated how students follow a regimen of step by step progress to finally deserve band membership. On the progress chart for the first year of band it was noted that students progress at their own speed. Class instruction sets the course and student aptitude determines individual perfection. Based on an incentive system, the chart method outlines visually where a student has been and where he is going. It furthermore requires him to accomplish a given assignment or else he can not remain in the band. Lampi reflected upon the competition that exists between the band and the playing field and recalled instances where band members have "doubled in brass" by playing in the band the first half of the football game and on the field in the second, being relieved by an opposite number who could play the same instrument and the

Florida produces 70 per cent of its present beef consumption.

## Moss Recognized By Local Lions

**PAHOKEE** — During Tuesday's Lions Club meeting, William Moss was presented the Lion of the Year plaque.

Curtis Chase, past president of the club and chairman of the award committee, in presenting the engraved silver shield said that Moss was being recognized not only for his services to the community as a member of the Lions club but in appreciation as well for his personal enthusiasm and spirit of responsibility. Two accomplishments named were spearheading the move to get the resuscitator, and the sanitary facilities at Lair Field. Lion President Ralph Johnson asked for committee reports. Among these, attendance was reported at 92% for this month. Efforts are going forward to plan a fund raising campaign for a scoreboard on the football field, and approval was given to add a small boat dock to the present pier structure in Lake Okechobee at Pahokee.

## Willis Is VA Glades Appraiser

**BELLE GLADE** — Announcement has been made by Herbert Ziegler, Chief Appraiser for the Miami District Veterans Administration office of the appointment of N. B. Willis as VA inspector for Palm Beach and Hendry counties.

Since March 1950 Willis has been compliance inspector in Hendry, Glades, Okechobee and west Martin and west Palm Beach counties.

There are 14 VA financed houses under construction of which have been approved for construction at this time, Willis said.

Willis, an architectural and structural engineer trained at Massachusetts Institute of Technology is city building inspector in Belle Glade. He has resigned that position effective the end of August.

The number of cattle in Florida increased 164 per cent between 1940 and 1950.

Hospital Administrator Jesse M. Reel, left, taking over his duties at Everglades Memorial Hospital and Harry Weir, right, examine a Westinghouse X-Ray unit of 100 millamp capacity.

## Reel Assumes Duties At Memorial Hospital

### PAHOKEE CLINIC IN THIRD PHASE

**PAHOKEE** — Step three in the four part process of bringing the Pahokee Public Health Clinic under the administration of the county commission, the architect, and the Pahokee city officials to decide upon the exact location on the pre-determined site at Everglades Memorial Hospital for the clinic.

Schematic drawings for the Pahokee county health clinic are at present in Tallahassee where Technical Consultant Auther Forchard of the hospital division of the Florida State Improvement Commission is checking them.

The architect for the clinic, Dillard Duff, West Palm Beach, works with Pahokee, Palm Beach County and the State Improvement Commission. The latter agency suggests and recommends additions or changes to plans in keeping with most recent data on hand.

Under the Hill-Burton Act, federal, county and city funds finance health centers directed by county health officials. With the approval in February of the intent and purpose clause in the application for the clinic the first step was taken toward fulfillment of requirements under the act.

County Attorney Harry A. Johnston has certified the ability of the county and local abilities to share the costs of the clinic as completion of step two. With the selection of the exact location of proposed structures the clinic will come close to realization.

## FUGETT SERVICES HELD IN OHIO

David Fuggett was buried with full military honors Tuesday at two o'clock in the afternoon in his home town, Middletown, O. David succumbed from surgery performed in London two weeks ago. His remains were flown to Westover Field and from there removed by train to his home. M/Sgt. A. J. Held of the Air Force unit at Canal Point was detailed to carry out David's last wish that he make final arrangements and be with Mrs. Fuggett. According to Sgt. Held the military honors were rendered by the Middletown Legion. Post composed of life-long friends of the deceased. The War Mothers attended in a body.

In free style relays Patsy Keene, Judy Canipe, Linda Hand and Yvonne Thompson were winners in their respective classes and in boys free style Harry Sheppard, James Stamp, Billy Culberson and Earl Meredith excelled.

Meets are directed by Coaches Keene, Howard and Pell.

Everglades Memorial Hospital Administrator Jesse Reel will shortly, with his wife and 14 year old son move into the home provided the administrator across from the hospital. Harry Weir, new administrator of a hospital to be built at Sanford, is moving with his wife and their two children into a house there which he has purchased.

During the administration of Weir the hospital has not failed to keep up its obligations to the city. Had it failed in these, the city would have assessed more taxes on its citizens. Hospital rates, Weir explained, are no higher here, and many are lower, than the average rates in other Florida communities.

Weir, on leaving, hands over to his successor a record of collections of 85% of the outstanding charges which means that bonded indebtedness can be retired without penalty to the taxpayer.

Reel comes to the hospital from Virginia where he has gained both his training and experience. Holding a master's degree from the Medical College of Virginia in hospital administration, Reel served at Fairfax Memorial Hospital in Franklin before accepting the post here. He assumed his duties this week.

## Swimmers To Compete On Coast

**PAHOKEE** — Winners in last Saturday's Junior Olympics swimming championship competition too late for results to be recorded here at Lake Weir Memorial pool for places on the Palm Beach County team. Eliminated for the Southeast Florida team to hold a Lake Weir and state teams will be chosen as a result of meets at Allapattah August 19-21.

Young participants in the swimming meet learned to swim because of the available instructional facilities offered under the county-wide summer recreation program, according to Coach Pell, well known Pahokee athletic director. Coach Le style, back and breast styles, swimmers in four age groups and has groomed winning teams.

Winners in the Glades Junior Olympics were: Midget events, Freddy Hickerson, free style; Yvonne Thompson, free style; Judy Canipe, back stroke; Linda Hand, breast stroke; Valerie Geiger won the Junior Girls diving event and Earl Meredith the senior boys swimming competition.

The Port Mayaca Cemetery Commission will meet in City Hall, Pahokee, at 8 o'clock Monday evening.

## City Fathers Face Planning Problems

Pahokee councilmen and Belle Glade commissioners faced agenda this week on which zoning in the former city and condemnations in the latter city were uppermost in discussions.

Proposals to have expert advice in matters of zoning Pahokee have been accepted and a representative of the Florida Planning and Zoning Association will arrive in early October to meet with councilmen and zoning board members. Belle Glade commissioners in implementing zoning plans already on ordinance books await court action resulting from a temporary injunction handed down Tuesday preventing tearing down of certain condemned buildings there. Pre-trial hearings August 19 and a hearing on August 23 will determine validity of the ordinances now on the books.

### PAHOKEE COUNCIL

Old business resulting from the June 28 meeting of the July 12 meeting having been cancelled, concerned the denial of a request by Vance Denton for relief from sidewalk tax because it was found that the charge was neither improper nor discriminatory. Further, a letter from Otto Blech accepting appointment on the zoning committee was read. Frederick Bair of the Florida Planning and Zoning Association wrote to the city that he would fix a date for his survey in late September or early October or sooner if so requested.

### Debi Paid

Correspondence from James W. Vann of the Public Housing Administration enclosing copies of pertinent letters revealed that with the final payment of \$172-52 the water mains constructed to the project in 1946 are now paid for in full and belong to the City of Pahokee.

In a letter from the Corps of Engineers attention to communities was drawn to precautions that should be taken so that ordinances are drawn to "prevent inundation of individuals from their own follies in building in areas subject to flooding."

Bills were ordered paid with funds available, and City Clerk Dorothy Graham was directed to write a letter of thanks to County Commissioner Paul R. Harris for his assistance in having the city dump leveled. President of Council Parrish presided and Councilmen Simonson and Mims were present along with Mayor Lewis Friend and City Attorney Ralph O. Johnson.

## DEDICATION OF NEW MOTEL

**PAHOKEE** — Lake Okechobee's newest motel will be dedicated on Sunday August 1. The name of the motel after the translation of Pahokee, "Grassy Waters" Motel has 24 air and heat conditioned rooms for comfort, taste and beauty. Designed by the noted Miami architect Chester A. Cone, A.I.A., and built by Don Herter and Sons, Inc., the grassy green buildings are shaded by ancient and giant cypresses and located on highway 441 to the north of the city.

Filling a long felt need, the motel will accommodate travelers spending some time in the Glades or overnight transients whose destination is elsewhere. Mr. and Mrs. Hillier, the proprietors, decided that the location was both appealing and practical and then spared no expense in erecting the existing long building structure on a quadrangle of green, where ample parking space is available.

The community benefits to be derived from a motel of the size and scope of Grassy Waters have already been felt not only in the initial expenditures for building and labor but in the maintenance and operating budget which reflect in many other community business expenses.

Elsewhere in these pages the invitation to the public to attend the opening will be found. Between the hours of four and seven on Sunday the Grassy Waters will be the scene of open house. The Hillier family will receive well deserved praise for their faith in the community and for their contribution to the comfort and convenience of the traveling public. For who ever stays at the Grassy Waters can help leaving Pahokee with any but a fine feeling for the community and its residents.

The Port Mayaca Cemetery Commission will meet in City Hall, Pahokee, at 8 o'clock Monday evening.

### BELLE GLADE COMMISSION

Location of the Belle Glade Health Clinic at the site of the Belle Glade Memorial Hospital instead of on one of the sites to be selected from locations relicited in bids was disclosed. Commissioners Carlton and Ashley favored such location and the commissioners agreed that the location would be further investigated. It was moved, seconded and approved that bids be held in accordance with the possibility of locating the clinic at the hospital campus.

City Clerk Anderson, in accordance with law, announced that the Tax Assessment Roll is complete. A board of equalization will sit prior to the next regular meeting of the Commission on August 11 at 7:30 p.m.

The City Commission further: ACCEPTED quit claim deeds for certain areas on the south side of Avenue D for dedication to public use.

APPOINTED F. L. Harris for Central Borough and reappointed R. W. Lanier for North Borough. The City Clerk of the Civil Service Board created through expiration of terms of office of incumbents.

ADOPTED on first reading an ordinance authorizing and stipulating grades of SW 12th Street;

PASSED a resolution providing for resurfacing 1st Street from Ave. C, SE, from 1st to 3rd Street; Ave. D, SE from 1st to 2nd St.; and Ave. B, SE, from 1st St. to WPB Rd.

GRANTED an extension of 30 days to Leonard and Alfred Adams to permit them time to remove certain of their buildings. Relief was afforded on basis that the Adams could save certain taxes by forming a corporate entity for the acquisition of the buildings prior to their destruction.

APPROVED plans for proposed rebuilding of loading dock providing for an estimated 94 spaces for trucks to load off the dock. The dock is to be constructed of reinforced concrete. City Manager Tom Carle will have cost estimates in hand at next meeting of commission.

RESCINDED a previous action relative to a "straw ballot" which would have sounded out large in the city was having the city as a whole determine whether an additional ordinance prohibiting livestock roaming at large in the city was needed. Reasoning was that individual areas could have relief under present ordinances without affecting the community as a whole.

MOVED that the park across from the colored school be surveyed, that permanent stakes be planted and that location of streets be determined.

## CAMPERS AT ACALA FOREST

OCALA — Philip and Mickey Ryals, Jim Maxwell, John Guerry and Gordon Chase are spending the week of the Junior Wildlife Club throughout the state.

The camp is sponsored and operated by the Game and Fresh Water Fish Commission for the Junior Wildlife Club.

While attending the one-week session, youngsters hear and see lectures and demonstrations on various conservation practices. Experts, outdoor and indoor personnel from state and federal agencies volunteer their services to present the latest principles of wise resource use to the youthful sportsmen.

## New, bigger load space! New, lower loading height!

## New Chevrolet Trucks... do more work per day... more work per dollar!

You save on operating costs. The "Thrifmaster 235" engine, the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save extra trips. That's because of extra load space. New pickup bodies are deeper... new stake and platform bodies are wider and longer.

You save time on deliveries. New truck Hydra-Matic transmission saves time and effort at every stop. Optional at extra cost on 1/2, 3/4 and 1-ton models.

You save with lower upkeep, too. There are heavier axle shafts in two-ton models, bigger clutches in light- and heavy-duty models, stronger frames in all models.

You save hours on the road. Thanks to new high-compression engine power, you can maintain faster schedules without driving at higher maximum road speeds.

And your savings start the day you buy. Chevrolet, you know, is America's lowest-priced line of trucks.

Come in and see all the wonderful new things you get in America's number one truck.

## Now's the time to buy! Get our BIG DEAL! Save with a New Chevrolet!

Oh, by the way, Are you building a home? You will need a Modern Set of Kitchen Cabinets, or A Dining Room Set in fine wood, or A Modern Bedroom set with head and side cabinets, or Many things in Mill and Wood craft. I can supply all of these, and if I haven't what you want I'll make it for you at a surprising saving.

COME SEE ME

Rev. Buford Chilcote and his wife and daughters, Sandra, four, and Derenda, four months. Rev. Chilcote has come to Belle Glade to take over the pastorate of the Chosen Baptist Church, formerly held by Rev. Fred Robbins. Rev. Chilcote and family come from Fulton, Miss. He resigned his position as pastor of the Halsey and Mt. Zion Baptist churches, Amory, Miss., to accept the pastorate of the Chosen Baptist Church. Rev. Chilcote received his schooling in Fulton, Miss., and has done pastoral work in northern Mississippi for the past seven years. He is a member of the Sunday School Committee of the American Baptist Association which has its headquarters in Texarkana, partly in the state of Texas and partly in Arkansas.

MARILYN BARBER

**PAHOKEE BAPTIST  
REVIVAL LEADERS**

Revival leaders participating in Pahokee First Baptist Church evangelistic services in August are pictured on this page. Miss Marilyn Barber from Cottondale is a fellowship and seminar director who was graduated in June from Stetson. Her major there was in elementary education. She was active in Baptist student work. Another youthful revivalist to be here is Bill Self of Delray Beach. Also graduated from Stetson in June where he majored in evangelistic subjects, Bill was formerly state president of the BSU, according to Rev. W. Hal Hunter, pastor.

Music for the revival is to be furnished by and under the direction of Jerry Brown, major in sacred music at Stetson where he is a sophomore. Rev. Mr. Hunter said.

JERRY BROWN

BILL SELF

**FR. HOLMES  
IN IRELAND**

Father William J. Holmes, of St. Phillips Church in Belle Glade, St. Mary's in Pahokee and St. Margaret's in Clewiston, is spending the summer in Ireland. Father Fletcher of the Maryknoll Missionaries of Maryknoll, New York, is acting as rector priest for the first month. Father Vincent of St. Leo's Prep School, St. Leo, Fla., will be rector priest for the second month. Mass at Belle Glade has been changed to 9:30 a.m. for the summer.

The young people of the community are invited to a fellowship program at the First Baptist Church next Sunday evening, immediately following evening worship services.

**BG BAPTISTS'  
ACTIVITIES**

Ten members of the Junior and Intermediate Girls' Auxiliary attended as associational W.M.U. youth rally at the North West Baptist Church in West Palm Beach Friday, July 23. The meeting included a talk by Miss Elaine Cratwell, a missionary from the Philippine Islands and workshop groups on G.A., B.A., W.M.U. and Y.W.A. in the individual churches. Those attending were Sara Ann Norman, Molly Forsee, Susan Clark, Jeanette Waddell, Sandra Gove, Sandra Registra and Brenda Kessler. They were accompanied by Mrs. Dalton Harrison, Mrs. U. S. Malcolm and Lamar Willis.

Young people between the

**CANAL POINT CHURCH  
VACATION SCHOOL**

The Vacation Bible School of Canal Point Methodist Church will be conducted August 18-27. The pastor, Rev. B. William Palmer, will be the school administrative superintendent and Mrs. Don Kepp the organizational superintendent. Workers will include Mrs. Earl Maxson, primary supt., Mrs. Elmer Maxson, kindergarten; Miss Frances Wilson, juniors; Mrs. J. P. Parker, handicraft instructor for junior and intermediate girls; Mrs. C. L. Livingston and Miss Bonnie Miller will serve as members of the teaching staff. Mrs. Harlan Sears and Mrs. Pope Sears, recreational supervisors. Other members of the staff will be announced next week.

**C.P. METHODIST ACTIVITIES**

The MYF of Canal Point Methodist Church netted approximately \$40 from a recent ice cream social. The fund will be used towards paying expenses of the young people to Camp Leesburg.

A. R. Harrington, treasurer of Canal Point Methodist Church has been chosen a district lay delegate from the West Palm Beach Methodist churches to attend the town and country meeting of Methodists to be held at Camp Junaluska, N.C. August 22.

**MEMORIAL VASES  
IN CANAL POINT**

A pair of brass altar vases have been given to the Canal Point Methodist Church and will be used Sunday for the first time, according to the pastor, Rev. B. William Palmer.

**PERSONALS**

**BELLE GLADE**

**MRS. RUSSELL E. TUCKER**  
Phone 2244

## THINGS TO TALK ABOUT

DR. GORDON SCHUETTLER

RESIDENTS of Pahokee area are not fortunate enough to have a Fairland Clinic such as was featured in the July 13 issue of Look Magazine.

HOWEVER, I have purchased some similar equipment which is designed by the famous Niagara Deep Massage manufacturers. Called Cyclo-Therapy, the mechanical massage device has been installed in both my Pahokee and Okeechobee offices.

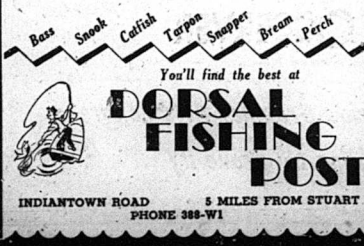

IT HAS GIVEN great relief in the treatment of arthritis, high and low blood pressure, poor circulation of blood, muscle toning, nervous conditions, intestinal disorders, and it is very beneficial in weight reducing, besides alleviating many other conditions.

## ARMY SURPLUS STORE OPENS

Tarpaulins and boots for the hunter or work clothes for less relaxed moments will be available Monday at the new Army Surplus store in Pahokee across from the Chamber of Commerce according to Herman Magrill, owner.

Magrill has come to Pahokee from West Palm Beach and anticipates occupying a new home here along with his wife and their two children aged four years and the other four weeks.

James Merrill will preach at the 7:30 a.m. services of Glades Prison Farm Aug. 8-15. He filled the pulpit of Everglades Presbyterian Church in Belle Glade last Sunday morning in the absence of the pastor, Rev. Robert Ford, who directed the Presbytery of St. John's Intermediate Youth Camp at Weeki-Wachee Springs July 23-30. Mrs. Ford served as a teacher and music director and Mrs. Jim Moody as a camp nurse.

## BG ROTARY HEARS CONVENTION REPORT

Recently elected Belle Glade Rotary President Marvin Unwin presided at Thursday's meeting. D. R. Kemper, delegate to the Seattle international convention, continued his report to the club.

Kemper said that attendance at the convention was an inspiring experience in fellowship and friendship with 8,000 delegates from 50 countries joining in the common bond of Rotary.

## LINES BY SOGLOW

If you're planning to live to be a hundred, you're headed for a long retirement. To be sure you enjoy it, plan also to have money enough for all the little extras. Get on Payroll Savings where you work. It's the painless way to set aside dollars as you earn, have them pile up to bring back more dollars in the future. Each \$15 invested in United States Savings Bonds comes back as \$100, in less than ten years. Bonds held longer gather more compound interest. Sign up on Payroll Savings—enjoy a long, happy retirement, worry-free!

## ALICE ANN ROSS

**TALENT WINNER**

Talent scout night Tuesday at the Prince found Malcolm Millar's bill presenting seven acts in the annual summer search for most talented person in the Glades.

First place winner with a twirling act, Alice Ross presented several well executed maneuvers.

Others on the bill were Vilma Williams, Carle Bracewell, Betty Boyd, Carolyn Sanford, and Phylis Joy Whitehurst accompanied by Leonard Frishman. Glades Equipment sponsored the show.

## Gems Of Thought

**WORK**

No man is born into the world whose work is not born with him.—Lowell

I never did anything worth doing by accident, nor did any of my inventions come by accident; they came by work.—Edison

A day's work is a day's work, neither more nor less, and the man who does it needs a day's sustenance, a night's repose, and due leisure, whether he be painter or ploughman.—G. B. Shaw

All work and no play makes Jack a dull boy.—James Howell

I like work; it fascinates me, I can sit and look at it for hours. I love to keep it by me, and the idea of getting rid of it nearly breaks my heart.—Jerome K. Jerome

Goodness and philanthropy begin with work and never stop working.—Mary Baker Eddy

## MASONIC PICNIC

**TONIGHT**

The annual picnic of Everglades Masonic Lodge No. 211 F&AM will be held tonight at the Community Building in above covered dish supper.
